### PERFORMING

A comedy by **David Blakey**  
Directed by **Daryl Wrightson**

Community theatre brings many people together.... this isn't always a good thing....

In a typical community theatre in some small town we throw back the curtain to meet the real personalities within a community theatre.

Egos, Envy, Love, Lust, Mis-hearings, Missed lines and Mayhem unfold back stage during a performance as these actors show their true characters behind the make believe.

#### About the director
